Claims Allowed

Claims 1-14 are allowable over the prior art of record. The claims are allowable because the prior art does not anticipate nor render obvious the invention of a hand lever having a housing with an exterior, a horn controller adapted to be connected to a horn, the horn controller being coupled to the housing an accessible from the exterior thereof, and wherein the hand lever is adapted to control at least one of an engine throttle and a transmission shift position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Prior Art Discussed

The references cited by the examiner are deemed pertinent to applicant's disclosure. Teeter '900 shows a transmission control lever with engine controls thereon, but no horn controller is shown. Lauer '586 likewise shows a lever with transmission and engine controls but no horn is shown. Gualtieri '001 shows another transmission control lever with other controls thereon, but not a horn controller. Prince '516 shows a single lever control for a boat with a horn 50, but no horn controller is shown.
